### ABOUT

Mr. Smith is bringin' it straight from the "town" of Oakland, California. This artist/writer/arranger brings the heat with his debut single on the Superb Muzic label. "Get Wiggy Wit It" is a song that catches your attention right from the start.

Writing since the age of 11, Jamel Smith has always known where his destiny would take him. Growing up in a very hood in Oakland has provided a lot of life's experiences and pain, which fuel the lyrical content displayed by this modern day musical genius. While only 19 years old, he's an old soul.

Mr. Smith and Superb Muzic Productions have teamed up to unleash this phenomenal artist on the world. "Simply put, he's special," says Superb Muzic CEO Herb Partlow. That pretty much sums it up.
